MARCH  
2025

### Morning Class

This month, we'll be exploring the wonders of the weather! We'll dive into how weather patterns work, followed by a colorful journey through rainbows and the science behind their formation. As we celebrate St. Patrick's Day, we'll also get to learn about the history and traditions surrounding this festive occasion. Finally, we'll wrap up with an exciting look ahead to the new season as we learn all about the arrival of spring and the changes it brings. Get ready for a month of fun and discovery!

-Ms. Kelsey

### Afternoon Class

This month, we're celebrating Read Across America week by focusing on literacy—enjoying stories, fostering a love for reading, and exploring new books together. We'll also learn about occupations, and their roles in our community. To add some creativity, we'll dive into the magic of rainbows and colors, blending science and art in fun, hands-on ways.

It's a month full of reading, discovery, and imagination—we can't wait to learn and grow together!

-Ms. Lucky

### Reminders

A quick reminder to help keep our days running smoothly! Please ensure your child has a weather-appropriate change of clothes at the Nursery School and wears play-safe shoes suitable for outdoor activities. Also, for the health and safety of everyone, if your child has a fever or is vomiting, they must stay home for 24 hours after symptoms have resolved before returning to school. Thank you for your cooperation and support!
