## NURSERY SCHOOL NEWS

August 28 - September 8, 2023

### 4-YEAR-OLD CLASS

In the 4-year-old class, we are settling into a routine. Over the past two weeks, we explored nature items, light and shadows, a (dead) baby snake, and animal poop (found on the playground). Last week we researched dinosaurs. You can find some of the exciting activities listed in their contract.

As a collaborative with Monongalia County Schools, all children will receive a free hearing screening. Please look for that note in your child's backpack.

### 3-YEAR-OLD CLASS

Our morning class has remained busy as we continue to explore our new classroom and make new friends. We are very focused on staying safe while we are at school. We worked as safety officers to patrol the classroom and decide what kinds of rules and signs we needed to add to help us remember to make safe choices.

We are also continuing to practice calming our body and problem-solving using the Tucker Turtle method from our story *Tucker Turtle Takes Time to Tuck and Think*. If you would like a digital copy to read at home as well, please send Erin a message on Remind.

### REMINDERS

- Please send your family bulletin board project.
- Please send a clean set of clothes to keep at school.
- Please work on potty training at home. We are working to establish bathroom routines at school.

### THANK YOU, STEPHANIE LORENZE

Thank you to Stephanie Lorenze for subbing over the last two weeks. We enjoyed having her with us and look forward to upcoming visits.

### ELEMENTARY STUDENTS VISIT

Stephanie Lorenze's daughters visited us last week to read two of their favorite books. What a treat to have elementary students stop by to read and engage in an activity with us.

### 3-YEAR-OLD BEFORE/AFTER SCHOOL

The 3-year-old class is introducing before and after school care. You can begin to drop off your child at 8.15am and pick up as late as 12pm. Fees are prorated at \$10 per hour and are billed based on monthly usage.

### UPCOMING EVENTS

- September 22: Prek Class (afternoon class) Shelley Marshall Tea Party
- September 28: Nursery School Open House 6:00 - 7:00 pm
